WORK EXPERIENCE

TITAN GROUP (may 2015 > Now)

TITAN is a mining company group. Coal is the main production at this company. This Group has its own production, services,and shipping. Many companies contained in this group. Where the company have a businesses of their resprective units.

I work for this company starting from may 2015 until now. I work as web programmer. Many internal apps I have created here.

As an Example : Coal Management Production,Hauling Production, Some HCIS Apps, Company profile,and others.

Sometimes I working as IT Support too. Such as Voip Maintenance, Printer Sharing, and Users Problem.

PT Datascrip (oct 2014 > may 2015)

PT Datascrip is a distribution company.Many product are sold by this company. That is Paper One, ASUS, Canon, etc.

I work for this company starting from oct 2014 until may 2015. I work as web programmer.

I have created a Sales Management apps. And this Apps used by 80 stores.
